Commodore's Report... Don Winnett

Hello TOA,

Hope everyone is enjoying this nice weather and out using there boats. We have had a lot of cruises and we have not seen some of our new members out there. Would love to see some of you there if only for the day all the cruises are a lot of fun.

The 24th of July was the Cast for Kids fishing Day and we had a great support from our TOA members thanks so much for volunteering your time and boats hope everyone had a great time Dave Dolhar and myself had a wonderful time with the family and our little friend Sam. We will be looking for more boats and people to help out next year for this event so please try to make it.

I would like to thank everyone that came out to the last family night we had a great turn out.. Also thanks to all the PC's and there First Mates for doing the kitchen and cooking.

Please don't forget that your dues will be due by Oct. 31, 2011 for all new and old members. If dues are late then you will be required to pay all late fees. If dues are not paid by Dec. 31, 2011 all none paid members will be dropped from the roles of the membership, and then you will have to rejoin the club just as if you are a new Member, paying the initiation fee and the dues again. So this is just a reminder to all that you should pay your dues early to avoid late fees.

Thanks .

Vice Commodore's Report... Dave Dolhar

Ahoy

Can you believe it's August?

I want to say thanks to everyone in the club, as you know we have a pretty busy season this summer and all our activities and work parties would not happen if we didn't have volunteers like you!!!!

Next time you are down at the club check out the 4 new picnic tables we received from the park district at Point Defiance. A big thank you to "all" for the effort and coordination it took to get them.

The anchor cruise came off great except, I hear a duck award will be awarded?

Now at the kids cruise we had a wonderful fun filled weekend despite the wet weather? Sounds like a cruise title, singing in the rain cruise while making slugs on a stick, s'mores melting in your mouth, watch out for the flying golf marshmallows, and don't let the homemade ice cream freeze you!! So if you happen to miss out with the July cruises why not come on out and join us in August with the following events.

Family Of The Year, August 12, 13 & 14 at Jarrel's Cove State Park

Fishing Derby, August 21 at TOA

International Cruise, August 26, 27 & 28 Port Orchard

and finish off the summer with:

Fall Camper Cruise Sept 16, 17, & 18 at Teamsters campground

Summer is going by fast !!! In Sept TOA will be looking for members to help with board positions again for 2012. Can we count on you?

See ya on the water!

Rear Commodore's Report... Dave Hoover

Hello TOA,

Wow it is August already. We are in the heat of the summer (well or we should be). The weather has not been too bad, and I know the boaters are still out enjoying the season. We have had a great cruising season so far and there is more to come. If you can come out to one of our upcoming cruises that would be great especially our new members, this is a great way

to meet other members and make new friends.

Our second family night was a great success the weather broke just for us. The winds were light and the sun was out. We had a great turn out with lots of food. Once again I would like to give a BIG thanks to the PC's and their first mates for coming down early to prep the food set up the picnic area and cook the hamburgers and hot dogs. Once again without their continued help and support of this long standing tradition we would not be able to have these events. Please give them a warm thank-you when you see them next.

Donna and I are chairing the boating family of the year cruise in Honor of the DiVona Family. It will be at Jarrell's cove on the 14th 15th and 16th. The main event will be on the 15th with lunch served at 1:30. Lunch will be an Italian fare with Chicken Parmesan, Pasta, Dinner rolls and salad. Soda, water and beer will be available. We will also be having a dessert auction so please bring out your best dessert (or even a bottle of wine or other food item). Hope to see you all there.

House and Grounds...

The picnic area looks alot better thanks to the people that turned out for the work party in June.

A special thank you to Ralph Scholz, Al Cameron and Darrel Sawyer for finishing the hand rails for the picnic area. They look and work great! We had some scheduling problems for the fish cleaning station project. (fish were biting!) It is going to be done by the first part of August. I'm way behind on getting projects on my list of to-do Items.

Hopefully this fall, as play time goes away, we will get them done. Last Charley Emerson, Charley's grandson and Steve Clementz chipped up a mountain of branches that were piled up near the picnic area. A big thank you to them.
