Don't forget that NBC picnic is coming up the first weekend in June at Brownsville Marina and everyone needs to call and let the Marina know if you are coming by boat so they can get your name on the list.

Rear Commodore's Report... Dave Hoover

Hello TOA

Well we had a great Daffodil weekend. There were a lot of great float boats this year, and the competition was stiff. We had a great looking boat and an awesome turn out in both helping with the decorating the boats, supporting our token at the Trivia contest and viewers on Sunday for the Parade. Unfortunately we did not win anything this year, but everyone had a great time and a lot of fun. I would like to thank the following people for helping out this year. Jim and Ramona Marshall, for opening up their garage, yard and the use of tools and materials, again this year, to design and build the float boat. Rich and Shannon Foreman for volunteering their boat as the float boat, Ed and Kari Howell for volunteering their boat again this year as the flag ship. The following people helped out with design, building, and decorating the boats; Commodore Don and Lana Winnett, Vice Commodore Dave and Berta Dolhar, JPC Bill Van Fleet and his girl friend Deanna, PC Paul and Sharnel Di Vona , Rick and Lisa Axlen, Randy and Diane Kaelen, Steven and Betty Hansen, Marty and Molly Larson, Ron Mills and Joanne Espeseth, Scott Daniels and Corrina Goff, Bob Newkirk, Darrell Sawyer, and of course my very own first mate Donna. If I have missed anyone I am truly sorry, but be assured that your help was greatly appreciated.

Spring is in full swing and our first family night will be in June. I will be sending out letters in the near future to all of our local past Commodores and their first mates inviting them to help out in this long standing tradition.

You're Rear Commodore
Dave Hoover

House and Grounds...

All the docks are repaired and back in the water just in time for the boating season. We also repaired some of the ramp concrete. Thanks to Charley Emerson, Bill Van Fleet, Scott Daniels, Ray VanValkenburg, Mike Flemming, and Corinna Goff. If I forget someone, sorry. The spring work party had a very small turn out, only 13 people. Those that attended worked very hard. Thank you all. We have a lot of projects to complete, the first is to get the picnic area cleaned up, repaired, and some improvements. Therefore we are scheduling a second spring work party just to get that area up to par, so all can enjoy it this summer. Put June 12th at 9am on your calendar. We will only work until 1pm then lunch will be provided. We need a brick mason to help with the fire place and fire pit. Some of the planned items on the list are; power wash covered area, fix the roof, repair the wood storage area, clean up and stack wood, clean out and repair the fire pit, cut brush behind the fireplace, install 2 horse shoe pits, and repair tables and benches. Lets make this area something we will all want to use. Let me if you can make it call Ole Larsen 253-820-1151, or just show up.. JUNE 12TH 9am.

The Easter Party will be history by now and it looks to be a real success. Thank you Lisa & Rick Axlen & committee for a job well done. The kids look forward to this every year.

Everyone had a great time at the Spring Dance with delicious spaghetti and fun entertainment and dancing. \$523 was made for the club and a great job was done by Jim & Ramona Marshall & committee.

Social will be on hiatus for the summer but we do have a few events coming up in the fall. Please contact me if you would be interested in chairing any of these: October 29, 2011 Halloween Party; November 12, 2011 Bunco & December 10, 2011 Kids Christmas Party. EasterParty

The Easter Party was a huge success. We had 80 children attend and visit with the Wonderful TOA Bunny. Each child took home an Easter basket full of treats and toys. We also had many games and crafts. We had one of the best Sunny days of the year. It made for an awesome day for egg hunting. Each child was offered a picture with the TOA Bunny which we have uploaded to the TOA web page for your enjoyment. The children loved the Pinata. We wish to Thank everyone that brought a treat to share, the treat table was filled with special treats made with love. We would like to thank Jim Stewart, Carol Pope, Lana and Don Winnett, Roberta and Dave Dolhar, Donna and Dave Hoover, Randy and Diane Kaelin, Ole and Alex Larsen, Lexi, Danielle and Haylee Axlen, Athina Gomez & Adrian for a great job in making this happen.
